SCORE LEAGUE NIGHT ON YOUR PHONE

BUILT TO THE LEAGUE RULE SHEET

- A & B singles plus the better-ball team match — a point each, 3 a night
- Strokes off the low handicap of the foursome, one a hole, max 9 a match
- Low handicaps play each other — A/B set automatically
- Max score of 9, and an **X** for a pick-up or a missed hole
- Called for darkness after 5 holes? End the match — or resume it later
- Playing a player short, subs, and new players' 70% / 90% handicaps

HOW IT WORKS

A scoring aid, not the official record. Signed scorecards handed in to the league director or the pro shop decide results, as always. Tip: add Trunk to your home screen for one-tap access on the course.
